

ATHLETIC FIELD RULES & REGULATIONS

Exclusive reservations for athletic field areas are available to residents of University Park. In addition, a majority of the team or group members using the field pursuant to such reservation must also be residents of the city.

Athletic field reservations are valid for only one team/group per scheduled time slot, are non-transferable and sub-leasing of the field is prohibited. It is recommended that you keep a copy of this confirmation receipt with you at all times when using city or school district fields in case verification of your reservation is needed. As the holder of this reservation, you must be present for the duration of your sports practice, game or activity as indicated.

This permit is valid only for the date and time listed on the previous page. All children and participants from your activity must leave the facility when the scheduled reservation time is complete. Please make sure that parents who have dropped off their children return promptly to pick them up when the reservation time is over.

PARKING

In order to minimize the impact on neighboring homeowners, please have all participants attending your event park in designated parking areas only.

INCLEMENT WEATHER / FIELDS CLOSED

The use of playing fields during inclement weather, or when "Fields Closed" signs are present is strictly prohibited. If you have questions about the current status of a playing field, please contact the Parks & Rec office during normal business hours at 214-987-5488. You can also contact our "Field Rain-out" number at 214-987-5680. This number is updated by 2:00pm daily Mondays – Fridays to announce field closures.

CLEANING REQUIREMENTS

All trash from your event/activity must be bagged and disposed of properly in trash receptacles. In addition, any personal goals, nets, bases or other equipment must be taken with you at the end of your reservation. The City nor HPISD are responsible or liable for any items or equipment left at the facility.

PROHIBITED ACTIVITIES AND ITEMS

- Use of fields when "Fields Closed" signs are in place
- Sub-leasing of the field
- Motorized vehicles on park grounds
- Alcoholic beverages
- Amplified music and bullhorns
- The playing or practicing of golf on any city/school grounds
- The use of signs or banners to advertise your business, class or activity within the park
- The use of profanity
- Selling or soliciting the sale of any food or merchandise within the park area

In addition to the rules set forth above, the group shall comply with any and all other applicable laws, statutes, ordinances, resolutions and rules governing use of the park/facility. Failure by the reservation holder to adhere to these guidelines can result in the immediate cancellation of your event, loss of the paid security deposit as well as denial of future park reservations.
