

EGGT OBER

Like many occasions this year, Halloween may look a little different for your family. Let the Parks Department help! This year, the University Park Parks Department will fill a dozen Halloween eggs per child, drop off and hide them in your front yard on October 31st. Please register your family with the Parks Department. Limited availability.

Eggs will be filled with peanut allergy-friendly candy and toys. Emails will be sent out before the delivery date with further details.
