The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction. This permit becomes null and void if the authorized work or construction is not commenced, is suspended or abandoned after work is commenced, or if no inspections are obtained within a 6-month period. All permits require final inspections. I agree to abide by all laws and ordinances governing this type of work whether herein specified or not and hereby agree that I have read and examined this application and know the same to be true and correct.
